Christian Sympathy to the Family of Ann Howard

Christian Sympathy to the Family of Jo Rettke on the loss of her mother

The countdown continues!

As with many business and non-profit organizations, King of Kings relies heavily on fourth quarter giving. Our annual budget goal for 2024 is \$2,293,000. This budget allows our congregation to carry out the ministries that mean so much to each of us, our community and our global partners. In order to reach our goal, we need to bring in a remaining \$420,950 by the end of year. While this may seem like a lofty goal, we have historically been able to bring in these resources based on the faithful generosity of our members, visitor contributions and online donations but it takes everyone to participate. In order to ensure your 2024 donations reach us, please note the following:

- **Mailed Gifts** – Must be postmarked by Tuesday, December 31.
- **Online/Text Gifts** – Will be accepted through December 31, 11:59pm. Easy to give through the Give Button found on King of Kings website and app.
- **Walk-in Gifts** – The office will be open until noon on Tuesday, December 31.
- **Stock/IRA Distribution or Mutual Fund Donations** - Must be received by King of Kings brokerage account by Wednesday, December 31; we encourage the initiation of the transaction with your financial advisor no later than December 27. Please contact Dianne at dianne.johnson@kingofkingswoodbury.org with any questions.

Please join us next Sunday · December 29 before and after worship, for a cake reception in the Gathering Space, as we thank Patty, our Office Administrator, for 18 years of faithful service and wish her the best in retirement.

Organ Fund – Resonate

Thanks to the generosity of our congregation, we've met our \$272,336.17 pledge goal and can now begin the collection phase for the organ pipe campaign. Pledges must be fulfilled by December 31 through mail, at the church office, or electronically via the "Give Now" button on our website (select Organ Fund). This is where you'll also find links to our regular Tithes and Offerings as well as Memorials.

Please keep in mind that these gifts are in addition to our regular tithes and offerings, which continue to support day-to-day ministries, retain staff and honor our commitments to our benevolence partners.

To proceed with the purchase and installation of the organ pipes, funds must be received by December 31. If the goal is not met, we cannot move forward with the project. Once the funds are secured, we will begin work on the hybrid organ as recommended by the Organ Committee, with contracts expected to be signed in early January. Due to the timeline for the manufacturing and installation of the pipes, the new electronic organ and speakers will be temporarily installed in their current location.

We're excited for this next step in enhancing our worship experience!
